

*Joan Gratto Liebler is an author, lecturer and spiritual director. She has given many retreats and workshops in parishes and retreat centers. She is a retired university professor and health care consultant. She is active in many civic and church groups.*

*"A woman may be perceived as soft, but make no mistake, she is strong. She may give in to the demands of her man and her friends, but that does not mean she is not determined."~ Author Unknown*

~ ~ ~ ~ ~

*I am convinced that the influence of an army of godly women will be incalculable-- in our homes, our churches, and our culture. Will you be one of those women?*

*~Nancy Leigh DeMoss*

~ ~ ~ ~ ~

*A woman is the full circle. Within her is the power to create, nurture and transform.*  
*~Diane Mariechild*
